To all the Bonpos around the World

It is to notify to all the Bonpos around the world that Yungdrung Bon Monastic Center Society in Menri is going to start the most prestigious project of building three stupas in the memory of our beloved enlightened His Holiness the 33rd Menri Trizin Rinpoche. Two stupas of height 57 inches and 33 inches will be made of brass plated with gold. The third and the largest stupa will be made of the best quality Makrana marble of height 213 inches.

Therefore, all the Bon followers and disciples who would like to participate and engage in generating and accumulating merits by offering donations to this project are humbly requested to contact Yungdrung Bon Monastic Center Society.
